MEMBERS TIME SHEET

SATURDAY AND MID-WEEK COMPETITIONS

Time slots are allocated to men Members and Lady Members for morning starting times in the competition field.

For two weeks prior to each event, the timesheet will be available on-line using your [MiClub login](#) and members without internet access **must** contact the Pro Shop (5221 3592) to add or cancel themselves from the timesheet.

All players are to be ready to hit off fifteen minutes prior to their time on the sheet, and this will be strictly adhered to. The field will not be held up for latecomers, and they will be called at a later time if space is available.

A player cancelling from a 4BBB, mixed or similar event is obliged to, **and must**, notify his/her partner.

Member phone numbers are available in [MiClub](#).

HANDICAPPING - GENERAL

Stroke	As per Golf Link
Stableford	As per Golf Link
Par	As per Golf Link
Match Play	Difference in Stroke Handicap
Foursomes	1/2 Aggregate Handicap
Mixed Foursomes	1/2 Aggregate Handicap
Ambrose Fours	1/8 Aggregate Handicap
Ambrose Twos	1/4 Aggregate Handicap
Pinehurst Foursomes	3/8 Aggregate Handicap
Canadian Foursomes	1/2 Aggregate Handicap

GOLF EVENTS AND HOW THEY ARE PLAYED

These notes are only intended to assist in the general concept of how the various events are played. To be read in conjunction with the Rules of Golf and any Local Rules.

- 1. STROKE:** The score at each hole is entered on the scorecard, totaled and the player's full handicap deducted. The player who completes the round in the fewest strokes is the winner.
- 2. PAR:** In par play the score is entered on the card the same way as in stroke play, the exception being where a score exceeds par for the hole, after allowing for handicap stroke (if the player is in receipt of one).

When a player is beaten by par, the ball shall be picked up. This helps speed up play.

After entering the stroke score on the card, the result is marked in the column provided with a "+" sign for a score better than net par, or an "o" for an equal to a net par, and a "-" for a score worse than a net par. At the end of the round the plus and minus signs are added, and the net result written in as so many up, down, or all square. A player is allowed his full stroke handicap and the strokes are taken at the holes as indicated on the card.

3. STABLEFORD: The method of playing stableford is for the player to take strokes at holes as in par competition using full handicap and to score points on the net result at each hole. At the end of the round all points scored are added up and the player having the highest number of points is the winner. In scoring, a player who scores a net one over par receives one point, for a net par two points, for a net one under par three points and for a net two under par four points and so on. When a player cannot better a net one over par the ball shall be picked up- this helps speed up play.

4. AMBROSE TWO PERSON:

- a) Both players' names and handicaps must be on the card.
- b) Handicap $\frac{1}{4}$ of the total players' handicaps is the team handicap.
- c) Both players hit off from each tee and select a ball for the playing position.
 - i) The selected ball is played as it lies unless a preferred lie is taken.
 - ii) On the fairway, the other player places their ball within one club length of the selected ball.
 - iii) In the rough and any hazard, the other player must drop their ball within one club length of the selected ball.
 - iv) Play continues in that manner until the green is reached.

- d) On the green, the selected ball must be marked and the other player plays their ball as
- e) near as possible from the position of the selected ball.
- f) Tap-ins are allowed, as in four-ball competitions.
- g) 6 drives each to be taken.

5. AMBROSE FOUR PERSON:

- a) Minimum of three drives to count.
- b) All Players' names and handicaps must be on the card.
- c) Handicap $1/8$ th of the total players' handicaps is the team handicap.
- d) All players hit off from each tee and select a ball for the playing position.
 - i) The selected ball is played as it lies. (4 Drives each required)
 - ii) On the fairway, the other players place their balls within one club length of the selected ball.
 - iii) In the rough and any hazard, the other players must drop their balls within one club length of the selected ball.
 - iv) Play continues in that manner until the green is reached.
- e) On the green, the selected ball must be marked and the other players play their balls as near as possible from the position of the selected ball.
- f) Tap-ins are allowed, as in four ball competitions.

6. **FOUR BALL BEST BALL STABLEFORD:** Played in exactly the same way as stableford except that the better ball of the partnership will be credited with the points. The initials of that player are also to be placed beside the score.
7. **FOUR BALL BEST BALL PAR:** Two players play as partners each taking strokes as in par competition. If one of the players wins a hole and the other halves it only the win shall count. If one player halves the hole and the other loses it only the half is counted, and so on, plus + and half o and minus - are added up and recorded as in an ordinary par competition.

When a player cannot beat his partner's result, he shall pick up his ball - this helps speed up play.

NOTE - In a four-ball handicap event care must be taken to mark the scores of each player with their **initials**. If this is not done it is impossible for the Match committee to check the card and the players will be disqualified.

8. **MIXED FOUR BALL BEST BALL versus PAR OR STABLEFORD:** Those games are played as described previously except that the lady plays from her own tees, uses her own scorecard, local rules, etc. The result is only transferred to her partner's card when her score is better than his. Care must be taken when checking the card to refer to the lady's card when dealing with holes scored by her.

- 9. FOURSOMES:** Two players play as partners and use one ball.
Player "**A**" hits off all **odd** numbered tees.
Player "**B**" hits off all **even** numbered tees.
Alternate shots complete each hole. Penalties do not affect the order of play.
- 10. MIXED FOURSOMES:** Mixed Foursomes are played as above except that the ladies hit off the **even** numbered tees, use their own tees and local rules when it is their turn to play.
- 11. CANADIAN FOURSOMES:** Played as above except that both players play tee shots and afterwards continue with whichever ball they nominate, the partner hitting the selected ball.
- 12. CANADIAN TWO STROKE / CHAPMANS:** Both players play tee shots, hitting their own balls a second time then select the better ball (the partner to hit such ball) and thereafter continue as above.
- 13. PINEHURST:** Both players play from the tee, and then play a second stroke with their partner's ball. One ball is then selected and play proceeds as in foursomes with the partner playing the third shot with the selected ball.

Note: In Foursomes, Par, Stableford or 4 BBB, each individual player's name and handicap must appear on the card.

ETIQUETTE

1. Players should, at all times play without delay. By-Law 25 lays down that a competition round should take no more than four hours.
2. Play when ready. The first player ready to play is deemed to have the honour, that player should be allowed to play his/her ball before his/her opponent or fellow competitor tees his/her ball.
3. No player should play until the players in front are out of range.
4. There are no call up holes at Queens Park Golf Course and members are requested to observe this ruling.
5. Before leaving a bunker, a player should carefully repair the area and replace the rake in the bunker.
6. Through the green, a player should ensure that any turf, cut or displaced by him, is replaced at once and pressed down. The Club requests that all members carry a bucket of sand to repair divots.
7. When the playing of a hole has been completed, players should immediately leave the green and proceed to the next tee.
8. If your ball is lost or if the preceding players are a fairway's length ahead, never hesitate to call the following players through. This is their right

and it should always be voluntarily and cheerfully given. If, however, this right when due is not conceded and a reasonable opportunity has been given for doing so it should be demanded in the traditional way by calling "fore" and then awaiting the signal. The lowest handicapped player is the Captain of the group and is responsible for maintaining etiquette and procedure.

9. To avoid undue loss of time if a ball is not immediately apparent on reaching the spot, call through the following group immediately if they are waiting. Do not undertake the 3-minute search limit prior to doing this.

MEN'S SPECIAL EVENTS

FIXTURE 2021

Please see [Men's & Mixed Conditions of Play](#) (COP) for full competition details. COP is available to view at the Club, or, on the Club Website www.queensparkgolfclub.com in the Members Area.

BY-LAW CONCERNING GUESTS

Members please be aware of the protocol for inviting a guest to play at Queens Park Golf Club it is important you adhere to our By-Law number 4 which states the following;

Guests from other clubs may play 6 times a year in club competition but must be approved by the President or Captain upon each request, they are not eligible to win or qualify for special events listed in the members fixture book, except Presidents Day. This also applies to ladies who invite a guest they too must seek approval from the Lady President or Lady Captain.

WOMEN'S HEAT POLICY

Extreme heat guidelines will be implemented should the forecast be 35 degrees C or higher for Wednesday competition and 33 degrees C or higher for Saturday competition. The competition of the day will be a nine-hole stableford event. The relevant information will be obtained from either the 6 pm Channel Nine News weather or www.geelongweather.com or from the lady captain or her representative.
